Set across over 21 acres (8.73ha), this property is an absolute rare offering to the market. No other opportunity exists to secure such a large parcel of land, elevated views including the lake, and within such close proximity to all conveniences.

This spacious new home was completed in 2024 with single level living, highly desirable layout with multiple living spaces and private surroundings. This is the perfect option for those seeking a lifestyle property for hobbies, such as motorbikes and ample space to add sheds and a pool depending on your preferences.
